**Vespa** has always been synonymous with innovation and proves this once again as it rides the wave of the one of the biggest current trends, streetwear. A collaboration with designer **Sean Wotherspoon**, one of the world's most influential players when it comes to street culture, has led to the creation of **Vespa Primavera Sean Wotherspoon**, a special, limited edition that unleashes the creative energy resulting from this partnership.

- Chromatic explosion in full '80s style.
- Body entirely in steel.
- Light brown ribbed velvet corduroy seat with Sean Wotherspoon trim and logo embroidered on the left side.
- White inserts such as the front “necktie”, the profiling of the Vespa silhouette and the wheel rims.
- Chromium finish for headlight frame, luggage rack and passenger grab handle.

# Vespa SW Peace T-Shirt

Per gli amanti di un'iconica semplicità sono state realizzate due T-shirt, una che accosta i due logo dei partner di stile - Vespa e Sean Wotherspoon - in colori a contrasto, e l'altra che attualizza il figurino di una storica Vespa Primavera evidenziandone le parti con vivaci tocchi di colore. Realizzate come la felpa, in puro cotone 100% e Made in Europe, sono state oggetto di un'attenta progettazione tecnica e stilistica. Alcuni esempi sono il particolare trattamento dei tessuti per stabilizzarne le dimensioni ed evitare il restringimento dei capi al lavaggio, i funzionali ed estetici nastri interni in vivaci tinte a contrasto

*For lovers of iconic simplicity there are also two T-shirts. The first combines the two logos of the style partners - Vespa and Sean Wotherspoon - in contrasting colours, while the second updates a sketch of a historic Vespa Primavera, highlighting the parts with bright touches of colour.*

*The t-shirts, like the sweatshirts, are 100% pure cotton and Made in Europe, benefit from careful technical and stylistic design. Examples of this are the particular fabric treatment to stabilize sizes and prevent any shrinkage of garments in the wash, functional and aesthetic inner bands in bright contrasting colours*
